International Expert To Speak In Ironbound!

Dr. Paul Connett who has just returned from an international conference on dioxin in Sweden, will be the speaker at the next meeting of the Ironbound Committee Against Toxic Waste. The meeting will take place on Sunday, September 18th at 2:30 PM and the public is encouraged to attend. The place of the meeting is St. Benedict's Church Hall which is located on 65 Barbara Street. For directions call 589-4668 during business hours. Refreshments will be served.

Dr. Connett will speak on the failure of garbage incineration around the world and how recycling can work. Dr. Connett is a witty and informative speaker. He publishes "Waste Not, the weekly reporter for rational resource management." Its last issue spoke about the bankruptcy of VICON, a major operator of garbage incinerators in the United States.

Dr. Connett is a professor of Chemistry at St. Lawrence University in upstate New York. He will be available for press interviews on Saturday and Sunday, the 17th and 18th of September.
